Mr. Pieret, the late French Consul at this port, who left for Europe by the M. M. steamer *Due*, on his promotion to the Consulate at Rio Janeiro, was accompanied by his wife and two children, both of whom were in Japan. The admirable manner in which he fulfilled the duties of his post, and his long services fully entitled him to promotion, though the shortness of his stay here is generally regretted by all who had the pleasure of his acquaintance. These regrets found expression among his countrymen on the day of his departure, when they wished him bon voyage in the heartiest manner.

In a Router's telegram issued yesterday morning it was announced that the *Chartered Bank* of India, Australia, and China, had been divided for the half-year of 1890. The directors were authorized by the manager of the bank to state that the dividend for the last half-year was at the rate of six per cent. per annum.

A meeting of the directors of the *Chartered Bank* was held on the 23rd October last, at which it was known here by letter, the directors would recommend a dividend at that rate. As it is more than a month since that meeting took place, it is not known whether the announcement made apply to the *Chartered Bank*.

OPIMUM PRODUCTION IN CHINA.

IN 1879.

From the Customs returns of the Treaty ports of China for 1879 we gather the following intelligence relative to the opium cultivation.

In some parts of the provinces of Chihli, Shan, Shensi, Honan, and Szechuen, the cultivation of opium has been abandoned, owing to the enforcement of the Imperial decree prohibiting it. In many parts of Szechuen and in Szechuan, however, it has flourished as of old.
